

LUXURY

Il presente come risultato di una lunga storia fatta di passione e di energia:

negli anni Veneta Sedie si è affermata nel proprio settore con prodotti di alta qualità e attraverso le proprie competenze tecnologiche, logistiche e produttive.

Un'azienda, una grande famiglia: Veneta Sedie è unione, armonia, relazioni.

Sceglie di continuare a produrre in Italia per mantenere la qualità e l'innovazione che da sempre la contraddistinguono e di investire nella sua risorsa più importante: le persone.

The company's long history of passion and energy shaped its present:

during the years Veneta Sedie established itself through quality products and through its technological, logistical and productive know-how.

A company, a family: Veneta Sedie is cohesion, harmony, relationship.

The company chooses to keep its production in Italy, in order to maintain control over the quality and innovation that have always distinguished its work, and to invest in its most precious resource: people.

La porta del grande salone si apre maestosa, il suono dei passi che avanzano sul pavimento in marmo screziato riecheggia tra le volte decorate da stucchi floreali.

Lì, al centro della sala, il focolare posa la sua luce calda sui tasti del grande pianoforte a coda: un gesto leggero delle dita e la prima nota volteggia nell'aria.

Una danza di linee leggere, echi di un benessere sublime

Luxury impreziosisce l'ambiente di ornamenti, damaschi e finiture in foglia oro e argento: una linea di componenti d'arredo dalla ricercatezza classica vestiti di fantasie floreali, colori delicati, morbidi pellami e tessuti luminosi.

Il comfort di un'eleganza rigorosa, di un piacere raffinato.

The door opens to the large hall, the sound of the footsteps on the mottled marble resonates on the decorated vaulted ceiling.

At the center of the room the grand piano welcomes the warm light of a fireplace: as the fingertips gently touch the keys, the first note starts drifting in the air.

A dance of gentle lines, echoes of sublime leisure

Ornaments, damasks, gold and silver finishings: Luxury collection's classic allure features finely crafted pieces of furniture adorned with floral patterns, delicate colors, soft leather and luminous fabrics.

Comfort of rigorous elegance, of refined pleasure.
