‘Beauty, Tradition & Innovation’

OUR KNOW-HOW, YOUR COMFORT

From the finest fabrics to the richest woods, we connect materials and textures to successfully achieve the ultimate comfort. After all, we have the expertise, but the design & comfort will be yours.

Truly yours.

Engaging the senses, provoking emotions. Our design process focuses on the detail, the texture, deeply into the subconscious so that we can deliver unique moments.

THE FINEST TEXTURES

We carefully select the very best textures to suit the client’s vision and to achieve the ultimate look and feel.

QUALITY & EXPERTISE

The product team have been passionately designing and developing a wide range of beautiful objects since 1983. Our main goal is to provide our clients versatile solutions that can fit their needs and desires.

Our way of thinking is boosted by a clear mindset of putting quality and all our expertise in the heart of everything we design and produce, powered by the latest techniques and tools, all to align our own perfectionism with a client's vision.

SUSTAINABILITY

Our pioneering work with the best names of Portuguese Design is based on combining timeless, modern aesthetics with durable construction and good materials. With the ultimate goal of creating furniture that becomes more beautiful with age, intended to be passed down from one generation to the next.

These core values are rooted in our sense of responsibility, seen in our use of natural materials, our ethical methods of production and our respect for the people using our furniture every day.

We create essential pieces that can enhance all your hospitality projects. Follow us into the trends of the new times.”

All our pieces are carefully crafted with antique Portuguese love and soul. We take in consideration and ensure the quality of our materials to give the customer premium pieces, imbued with a more and more well recognized Portuguese savoir-faire.

From Portugal to the world.

Tamisa

M398ARMCHAIR

M397CHAIR

With focus on '20s of last century, a particularly intense period under a architectural and artistic side which has seen its success in Art Decò.

The Tamisa is, therefore, a Chair, Armchair and Barstool where solid wood takes on a more contemporary character thanks to the square section and shapes that echo the typical clean design of the known Bauhaus period.

M386SIENABARSTOOL

Dimensions are represented in technical data in centimeters

The Siena Barstool model provides excellent comfort and relaxation with its high backrest. Having a distinctive armrest shape, Siena family simultaneously blends into any environment and steals some of the attention.

An elegant and luxury family of models which distinguishes for the refined care to the details.

M386BARSTOOL

Dallas

M387 ARMCHAIR

The shape of the Dallas Armchair is like a blooming flower, equally pleasing to view from any angle. As well the sculptural qualities of the design, the main feature is the way the legs rise up between the upholstered parts in a distinct fashion. This allows the possibility to play with fabrics in combination with the leg frame.

Soft, rather rounded and inviting.

The Dallas dining and meeting armchair stands out with its armrests and is very comfortable. That special model is also available as a barstool.
