INDUFLEX

Induflex is a leading furniture manufacturer with three decades of experience. We are a quite young and dynamic company with high quality products.
Our goal is to ensure customer satisfaction, allowing us to thrive in an international competitive market. Our strict control of materials and processes through the different stages of production, enables us to effectively meet the highest expectation and needs of our customers.
We proudly base our organisation strategy on development, implementation and continuous quality management control. It should also be noted that we are environmentally conscious and our waste is distributed and sorted by friendly and appropriate means.
Induflex is aware that not all contract projects are the same, and every project has its own specific requirements. We can also offer bespoke solutions in order to go towards our customers need so meet individual needs.
